

FaB Mentors

Family and Business Mentors

A Family and Business Mentor is available to provide an informal, confidential and independent down to earth approach to help with problem solving.

Discussions with a FaB Mentor could assist in moving your business forward.

An informal chat with a friendly, knowledgeable ear

FaB Mentors come to you, either at your property or you can meet in a neutral location. They will listen to you and your family.

Accessing the FaB Mentor Service is just a phone call away!

For further information on the FaB Mentor Service and to find out if it can help you, your family and your business, contact one of the FaB Mentors listed below:
